Community Primary School

“Excellence by everybody in everything”

13.09.24

Dear Parents/Carers,

We would like to invite you to a Phonics information session on Tuesday 15th October, where we will look at the Phonics that your child will be learning so you will be more informed on how you can support them with this journey into reading. As part of this session, you will be able to spend some time in your child's class, experiencing some of the activities they will be engaging in.

We are offering 2 sessions:

**9:00 – 9:45** for Apple and Cherry Trees, focusing on learning how to use phonics to support your child.

**2:15 – 3:00** for Year 1 and Year 2 parents, focusing on how the skills will be transferred into reading.

We hope that you will be able to join us.

Kind Regards,

Miss Gibson and Miss Harrison
