LKS2 Trips 2024/25

Dear Parents/Carers,

We are really excited to share with you our plans for Year 3 and 4's trips this year! As a school, we really value how important enrichment activities are and work our hardest to bring the curriculum to life by having real-life experiences. There are a huge variety of activities which take place during school to enrich our curriculum (visitors, workshops etc) but we also try to give children experiences outside of school.

As I am sure you hear regularly, school budgets have been cut significantly and running costs are ever increasing. We work really hard to budget and use our funding efficiently. Over the last few years, we have been able to fund school trips meaning there is no costs to parents. We plan on continuing to do this for as long as we possibly can. The Friends of Greenfields have kindly donated £1000 to our trip fund this year. Parents support running and attending events allow us to continue providing children with exciting opportunities. If you are able to support the FoGs to continue supporting the school, please don't forget that the AGM is Friday 4th October at 1:15pm.

Throughout this school year, every class from YR – Y6 will be going on one trip a term; they will also be inviting parents in once a term to share their learning. On the back of this page, there is an overview of trips and events for each term this year so you know what is coming up. We will share exact dates, timings and forms the term before, for example we will share dates for Term 2 trip at the end of Term 1. We hope this will allow you time to make any necessary arrangements.

Year 3/4 Trips

Overall costs: £32.81per child

Cost to parents: £0
