Dear Parent/Carers

Extended School Provision at Greenfields

As some of you may be aware, the government have announced some changes to length of time schools should be providing extended provision.

The government has stated that schools should be offering extended provision from 8am until 6pm. We currently offer 7.30am until 5pm. After careful consideration we will not be changing the start time of breakfast club as we know many of you rely on being able to drop your children at this time and an 8am start would not support this.

From 6th January 2025 our after school club will be open until 6pm. Over the last 4 academic years we have frozen the cost of after school club even though our expenses have risen. With an extended offer and additional staffing requirements will we need to reflect this in our costs moving forward. We have looked at the cost of provision in other local schools and ours still represents excellent value.

Moving forward you will have 2 booking options for after school club. These sessions will be booked via School Gateway in the same way.

Option 1 – 3.15pm-6pm at a cost of **£7.50 per session**

Option 2 (for children attending a club) – 4.15pm-6pm at a cost of **£5 per session**

To try and support parents, Tax Free Childcare accounts can be used when booking a whole term in advance. Details of this can be found on our website [Greenfields Community Primary School - Breakfast and After School Club Provision](#)

If you have any questions or comments about this change, the leadership team will be available on School Gateway on Monday 25th November (4pm-5pm) and Thursday 28th November (6pm-7pm).

Yours sincerely
