UKS2 - Term 3 Events

Dear Parents/Carers,

We wrote to you earlier in the year about the trips and events we had planned for each phase this year. Please see below the details about the events which will be taking place next term.

<p>Hastings trip</p>	<p>To explore the true setting of the book we will be reading in English next term (Malamander), UKS2 will be visiting Hastings on the dates below. We will be leaving and returning to school during normal school hours, if there are any changes to this, you will be informed through School Gateway. All children will need a packed lunch and this will be supplemented by chips bought by the school. All children should wear school uniform and please ensure they have coats to keep themselves warm as we will be outside for most of the day.</p> <p>Silver Birch – Monday 2nd February Permission form: https://forms.office.com/e/dTaMZS7Mck</p> <p>Elm – Wednesday 5th February Permission form: https://forms.office.com/e/WbyH06KNm8</p> <p>Palm – Friday 7th February Permission form: https://forms.office.com/e/MrZhyxVdjD</p>

<p>Hot drinks and reading</p>	<p>Next term, we want to offer you the opportunity to come into school and read with your child. Each class will have a separate time slot in our reading room where you will be able to sit, relax, read and help yourself to hot refreshments. The date and time slots are below.</p> <p>Elm Trees – Monday 10th February at 2:15pm Palm Trees – Tuesday 11th February at 2:15pm Silver Birch Trees – Wednesday 12th February at 2:15pm</p>
<p>Astrodome</p>	<p>To add to UKS2 children’s learning about space, we’re excited to bring an Astrodome to school – a portable, inflatable planetarium that offers an incredible 360-degree journey through the night sky. Children will explore stars, planets, and constellations in an immersive, interactive experience that supports our science curriculum while sparking curiosity and imagination. This hands-on learning opportunity is designed to inspire wonder and deepen their understanding of space and our place in the universe.</p>

We look forward to sharing these experiences with you and your children.

Miss Fanning, Miss Boddy and Miss Buckett
