“Excellence by everybody in everything”

Friday 7th February 2025

Dear Parents/carers

Ofsted inspection – 14th and 15th January 2025

As you know, the school recently had an Ofsted inspection. I am delighted to let you know the outcome of this monitoring visit. The inspector found that the school has taken effective action to maintain the standards identified at the previous inspection (May 2019).

In May 2019 the school was graded as follows:

Good

Leadership and management
Quality of teaching, learning and assessment
Outcomes for pupils

Outstanding

Personal development and welfare
Behaviour
Early Years provision

The outcome of the inspection means these grades have been maintained.

I am incredibly proud of the whole Greenfields community and thank the staff and children for all of their excellent work. I have sent you a copy of the whole report. When you read this, you will note the excellent comments made about the school and your wonderful children. The inspection leaves us with an area to work on, which we have already started to focus on.

Please feel free to contact me via School Gateway if you have any questions or comments on the inspection report.

Thank you for your continued support
