

# Greenfields Challenge

This term we will have one Greenfields Challenge which will take us through to the end of term. This Greenfields Challenge is all about NATURE. Whether it is creating a piece of art celebrating nature, doing some gardening at home or litter picking in the local park we want to see how we can celebrate and look after nature as a school. For us to be able to celebrate your dedication to our environment, post a picture of your work in nature on twitter (X) and tag our school @greenfields\_cps.

**Due by Friday 23<sup>rd</sup> May**
