

GREENFIELDS CHALLENGE

To help celebrate World Ocean Day on 8th June 2025, our next Greenfields Challenge is all to do with how we can protect our oceans. You could:

- Create a poster on how to protect our oceans and waterways
- Create a piece of artwork based on an ocean theme using recycled materials to promote the importance of recycling.
- Write a persuasive poem or letter about keeping the oceans clean and safe.

Don't forget to post your challenge entry on X (formerly Twitter) @greenfields_cps and/or on SeeSaw. Entries close on Friday 20th June 2025.
