KS1 - Term 2 Events

Dear Parents/Carers,

We wrote to you earlier in the year about the trips and events we had planned for each phase this year. Please see below the details about the events which will be taking place this term.

<p>The Observatory Science Centre</p>	<p>To enhance the learning on our book ‘Look Up’, KS1 will have the opportunity to visit the Observatory Science Centre to discover more about the fascinating universe beyond planet Earth in a hands-on way.</p> <p>We will be traveling by the school minibuses to the Observatory Science Centre. We aim to leave school promptly at 9:15am so all children should be in school at 8:45am on the day of their trip for registration. They will require a packed lunch and a drink in a bag which they can carry. They will also need a coat as there are both indoor and outdoor stations and they can wear comfortable footwear. We aim to return to school by 3:15pm.</p> <p>The trips will take place on the following dates: Lime Tree – Wednesday 5th November 2025 Willow Tree – Monday 3rd November 2025 Oak Tree – Tuesday 4th November 2025</p> <p>Permission form- Please complete the KS1 Observatory Science Centre form in the forms section of the Reach More Parents app.</p> <p>Deadline- 28th October 2025</p>
<p>Parental Engagement – Sewing session</p>	<p>We would like to invite parents and carers to join us for a special sewing session with your child as part of our Design and Technology project. This will take place on Thursday 4th of December at 2:40pm at in your child’s classroom.</p>

We look forward to sharing these experiences with you and your children.
Miss Gardner, Miss Beck and Mrs Wallace-Wells
