“Excellence by everybody in everything”

KS1 Observatory Science Centre Trip

Lime- Wednesday 5th November 2025

Willow- Monday 3rd November 2025

Oak- Tuesday 4th November 2025

Dear Parents/Carers,

We are really excited to be able to take KS1 to the Observatory Science Centre to enhance the learning of our book ‘Look Up’ and to discover more about the fascinating universe beyond planet Earth in a hands-on way.

The children will need to arrive at school at normal time (8:45) as we aim to leave school promptly at 9:15am. We aim to return to school by 3:15pm but will keep you updated via Reach More Parents should there be any delays.

They will require a packed lunch and a water bottle for the day in a backpack, they will need to wear full school uniform but can wear sensible walking shoes. Please can you also ensure that they are wearing items appropriate for the weather e.g a coat as there are both indoor and outdoor stations.

These trips will take place on the following days:

Lime- Wednesday 5th November 2025

Willow- Monday 3rd November 2025

Oak- Tuesday 4th November 2025

Please complete the KS1 Observatory Science Centre form in the forms section of the Reach More Parents app. The deadline for permission forms to be submitted is Tuesday 28th October.

If you have not completed the form by this date, your child will be unable to attend the trip but will still be expected in school.

Thank you,
Miss Beck, Mrs Wallace-Wells and Miss Gardner
