

# VOLUNTEERS NEEDED

*We're looking for friendly volunteers who can spend a little time each week listening to children read. It's a great way to help build their confidence and encourage a love of reading. We'll give you some training so you feel comfortable and supported in the role. If you can commit to a regular time slot and would like to make a positive difference in our school community, we'd really love to hear from you!*

Share with family and friends!
