“Excellence by everybody in everything”

The aim isn't to test anyone, but to give an insight into how the children are encouraged to explain their thinking, read between the lines, and develop their ideas.

It's a relaxed, hands-on session designed to be informative, enjoyable and eye-opening. It's also a great opportunity to see your child's learning in action (and for your children to become teachers!)

We look forward to welcoming you!

We look forward to sharing these experiences with you and your children.

Miss Fanning, Miss Marshall and Mr Bentley
