Community Primary School

“Excellence by everybody in everything”

Dear Parents/Guardians,

We wanted to share some upcoming changes to our PE kit and PE day arrangements, which will come into place from September 2026. These updates are designed to make PE days more comfortable and practical for the children, while also ensuring a consistent and smart appearance across the school.

Change 1: New PE tops from September 2026

From September, we will be introducing a new PE t-shirt in a bottle green colour, made from a quick-dry sports material. To support this change, the school will provide one free t-shirt for every child currently in school (Year R–5). Children will receive this during Term 6, so they are ready for the new academic year.

Children can continue to wear their current PE t-shirt until July 2027, giving families plenty of time to transition. Additional new t-shirts will be available to purchase from Term 6 at a cost of £6, which is the same price as our current tops

Change 2: PE days

From September 2026, children will come to school already dressed in their PE kit on the days they have PE. This means that PE kits will no longer be kept in school and will instead stay at home. We will share your child’s PE days with you before the start of the new school year so that you can plan ahead.

Children will remain in their PE kit for the entire school day. This change will help maximise learning time, reduce the need for changing, and support children in feeling comfortable and ready for physical activity throughout the day. Children in Years R–2 will continue to have PE once a week and Year 3-6 will have it twice a week and should wear their kit on those days.

Children will be required to wear:

- New green PE t-shirt (or current PE t-shirt until July 2027)
- Plain black jogging bottoms, leggings, shorts, or skorts (no logos, please)
- Trainers suitable for active use
- Black Team Greenfields hoodie *or* green school jumper/cardigan
- White or black socks
