Once you have agreed your provision choices you will be issued with a contract. If you would like to add additional provision, please contact the school and we will determine if you are in the correct window.

Payments

Payments for any additional, privately paid for hours or cooked meals are due weekly and must be made in advance. Payments are made via Parent Pay, information of this system will be shared by the school. Payments must be made by Thursday for the following week. If this is not the case the school will be in contact. If payments are continually paid late, this may result in your child's privately paid space or additional hours being terminated.

Late pick up

If you are late collecting your child at the end of a session, a late collection fee will be charged. Should a parent fail to collect their child within 5 minutes of the end of their child's session, they will be charged £10. A further £10 will be charged after another 5 minutes. This will continue for each additional 5 minutes which passes. If a parent is running late, they should contact the school

to discuss this as some discretion may be able to be given to the above charges. If a parent is regularly late in collecting their child, we would consider this to be a safeguarding issue and would make the relevant referral in line with your safeguarding procedures.

Closures

Should the nursery be unable to open due to bad weather, or any other unforeseen circumstances, parents will be refunded for a chargeable session. If you claim funded provision, then please contact the school and we can find an appropriate replacement session. Should closure need to take place part way through the day, no refund will be given.

Illness/absence

No refunds or re-use of funded sessions will be given in the event of a child's absence due to illness, holiday or any other reason. If your child is unable to attend Nursery, please ensure the office are informed by sending a message on School Gateway. This is of huge importance for both funding and safeguarding purposes.

Other funding available

Early Years Pupil Premium (EYPP)

Eligible Children can start claiming EYPP in the term in which they become eligible for the 3 and 4 year old entitlement and is paid based on the universal funded hours only - not on the extended entitlement. To be eligible you need to be claiming certain benefits/credits or are caring for or have adopted a child from care of the local authority. This additional funding will benefit your child by enabling us to provide additional resources and activities. If you are in receipt of EYPP you will be eligible for free school meals if your child attends before and after lunch. If you are eligible for EYPP, we will take this into account, detailing it on your contract that you do not pay for a cooked meal.

Disability Access Fund (DAF)

Your child could be eligible for this funding if they are in receipt of Disability Living Allowance (DLA). This one-off annual payment will help us support your child with their disability or special educational need and allow us to make any reasonable adjustments or purchase/loan suitable resources that may be required. Please see our SEN Policy and speak to our SENCO for further details

Tax Free Childcare

You can get up to £500 every 3 months (up to £2,000 a year) for each of your children to help with the costs of childcare. This goes up to £1,000 every 3 months if a child is disabled (up to £4,000 a year). If you get Tax-Free Childcare, you'll set up an online childcare account for your child. For every £8 you pay into this account, the government will pay in £2 to use to pay your provider.

You can get Tax-Free Childcare at the same time as 30 hours free childcare if you're eligible for both.

Universal Credit childcare is also available and is a benefit that can pay up to 85% of your eligible childcare costs to help you work, with maximum monthly limits of £951 for one child or £1,630 for two or more children. To claim, you must be on Universal Credit, and you, or you and your partner, must be in paid work or have an offer of paid work. You report your actual childcare costs in your Universal Credit journal, which are paid back to you after the childcare has happened.
